PRINCIPAL'S REPORT

Tully's Trivia

Please consider getting a team together and coming to our trivia and games night. It will be on Saturday 25th July at the Club. A flyer with further details will be distributed in the next week or so. All funds raised will be going to our Student Representative Council, who will then consult with all of our students to work out how they would like the money spent. Please save the date!

Speak No Evil

Last week I had the pleasure of watching our public speakers compete at the CWA public speaking competition at Parkes Christian School. Our students acquitted themselves very well. There were many competitors and the standard of speaking was very good from people so young, lots of confidence and eloquence on display. Congratulations to Jack Darcy who was selected to progress to the next round.

Everyone spoke with great confidence and enthusiasm

Thanks for your support

It is very pleasing to note that our school Facebook page now has over 300 followers! A great achievement in such a short period of time. A reminder to parents that they can withdraw or add their permission for their child's images to be posted on the school Facebook page at any time.

P&C NEWS

The P&C is currently looking at making their own catering trailer to be used for all our catering events. We are hoping to store our equipment on it and install a pull out BBQ to it, so it can be easily towed to and from our events. If you have any experience, materials, man power to donate or would like to be involved in helping this idea to come to fruition then please contact Mel Alvey . The P&C is also currently looking for a volunteer to fill our treasurer’s position at our next Annual General Meeting in March. The willing volunteer would be supported into this role by our current treasurer and committee. If you are interested then please contact Mel Alvey.

The P&C will be carrying out a Laura Jean family portrait fundraiser on Saturday 29th August. For a small sitting fee of \$20, families can have their photos taken and also receive a framed 10”x 13” family portrait. 100% of the sitting fee will go to the P&C and additional photos can be purchased at a cost to families. Flyers will go out in term three.

Next meeting Monday 3rd August at 7:00pm at the Tullamore Bowling Club. All apologies to Mel Alvey on 6892 5562 or jmalvey@bigpond.com

SECONDARY NEWS

This term is looking to be extremely busy with all the upcoming events for various subjects and sport. Please keep your eye on the newsletter for dates and information.

Work Experience Block 1 2015

Students in Year 9/10 will be participating in work experience in Week 9 this term. Thank you to our local employers who have agreed to allow our students to work with them for this block in June. Students that have been placed have been issued with paperwork that needs to be returned to Miss Shankelton no later than Thursday this week so that work experience packages can be collated for parents and employers. Students will also need to complete compulsory Work Readiness sessions in Week 8 this term so will need to be present at school on Thursday of this week.

Mobile Phones

Mobile phones are becoming an issue with some students not using them in a responsible way. Being able to have a phone and use it as part of directed learning activities is a privilege and students are reminded that they need to be responsible and not be involved in disruptive activities. Students who continue to be disruptive with their phones will be asked to hand their phones to Miss Shankelton and their parents will be contacted.

Baseball Caps are out – Bucket Hats are in!

Students in secondary are reminded that caps are **NOT** to be worn to school. Students must be wearing their bottle green bucket caps for sport, PE and practical subjects that result in sun exposure. They also need to be wearing their hats for play on the oval at all times. We are a sun safe school and this is part of conforming to this policy. Students who don't have a green bucket hat can purchase their hats from the front office for \$9.

Upcoming Careers Events

Work Experience – Students in year 9/10 are preparing for work experience. If you are a local employer that can assist us in providing a week placement at the end of term 2 and at the end of term 4 please contact Miss Shankelton at the school.

CSU Future Moves Day – Visits by CSU to all students K-12 on 23rd July. More details as this date becomes closer.

Have a great week!

Upcoming Events

Primary

Western Cross Country on Wednesday 10th June at Geurie

District Touch/Netball Gala day on Friday 12th June at Warren

Sand Green Golf on Friday 19th June at Trundle

Each week there will be a newsletter article promoting courses run across the Western Access Program. This program is highly successful in delivering a wider curriculum across our schools, maximising student choice and achievement.

Preliminary English Studies – Courtney Foley – Tullamore

The English Studies course is designed to support and engage students in developing their proficiency in English. This course is a non-ATAR course and is for students who do not wish to progress to tertiary studies. English Studies provides students with practical skills and knowledge to help them with life skills and functional English language tasks. They do this by studying things such as interview techniques, resume writing and rental applications, as this gives students a real world view of English in use. Currently students are studying “English in Sport” and are creating a motivational speech and narrative.

Characteristics:

A motivational speech should have the following characteristics.

- It should combine with real life experience and memorable stories
- There should be a variety of persuasive speech.
- The speech should be practical.
- It should leave an impact on listeners.
- The speaker must follow an imperative mood through the speech.
- Try to be humorous through the speech.
- The speech should be energetic and interesting.
