PRINCIPAL'S REPORT

Singing in the Rain

I trust everyone is enjoying the recent rainfall. Please ensure you stay safe, warm and dry! Obviously this has had an impact on school operation. Please note the following :

Attendance exemptions – all students who live out of town who have been unable to get to school will be given exemptions. There is no need to contact the school re these absences. An exemption just means that the absences will not count against a child's attendance record, it's like a "you're excused!". Western Access teachers have been made aware of the situation for Year 11 and 12 students who may miss school too.

Excursions – there were a number of excursions planned over coming days. In the interests of safety and logistics all excursions out of town this week (Dubbo netball Wednesday and Year 2/3 Dubbo excursion Thursday) will be cancelled or postponed. More information will follow re new dates in due course. Updated information will also be posted on the school Facebook page as required.

Thanks to Rhonda our first reading role model!

TERM 2 2016 – WEEK 9

August and will not be moved again !. If you would like the family photo order form please contact the office.

Uniform notice #1 – Clothing pool

If any families have uniforms which are no longer needed and would like to donate them to the school as part of an emergency clothing pool, this would be appreciated. Especially appreciated would be larger sizes for Secondary students.

Uniform notice #2 – Re-enforcement of uniform policy starting Term 3

Please note that as of the start of Term 3, students will need to be in school uniform to attend excursions and participate in sports events (unless otherwise stated on the permission note). A uniform price list is attached to this newsletter for your convenience. Don't forget you can now pay for uniforms online! (just go to the school website for details).

Uniform notice #3 - Labelled clothing

Could all parents please ensure they write their children's names inside uniform items especially jumpers, jackets and hats. This is of great assistance when items are misplaced.

Uniform notice #4

Will McLean misplaced his school jumper last Tuesday. It was a 14S. Could parents please check their child's jumper to make sure they do not this one. It will be clearly labelled on the inside with 'McLean'.

Cancelled /postponed trips

There have been some excursions in recent times which have been cancelled for various reasons. If you had paid money to the school for these, please contact Heather or Kathy in the front office to discuss options for either transferring the funds to a future event or getting a refund, whatever suits each individual family is fine with us.

Primary Assembly- correction

Last week it was incorrectly reported that Year 2/3 hosted the most recent Primary assembly. It was actually K/1. Like any responsible media organisation (there aren't many left these days!) we correct our mistakes and offer an unreserved apology ☺ Thank you to K/1 for their great assembly!

Photos

By now all families should have received photo envelopes. These are DEFINITELY now on 2nd

Revenge of the Nerds

Our Market Day on the last day of term has a "nerds" theme. We'd love to have a school full of nerds on the day! There will be nerd-themed activities and it should be a great day. Don't forget your Tullybucks!

Principal's Heroes of the Week

AGRICULTURE IN ACTION

100 Club – Fundraising for Ag Club

There will be 100 clubs available at Porter's Store for the Tullamore Central School Ag Club. We are fundraising for expanding our vegetable enterprise with the purchase of a Poly tunnel to enable us to grow vegetables and fruits such as corn and tomatoes all year round. There are tickets available for \$2.00, \$5.00 and \$10.00.

Term 3 Broiler Enterprise

In Term 3, Year 8 Agriculture will be commencing their meat bird trial. To facilitate this, community members are able to order an organically raised meat bird. Chooks will come to you processed and cryovaced. We are looking for orders to see how many day old chicks to order for this trial. Thanks to Tablelands Premier Meats at Canowindra who have helped us out with discounted poultry processing. It is estimated that chooks will retail for \$15 per chook. If orders could be put in with the front office by 1st July it would be appreciated.

LIBRARY NEWS

It has been wonderful to see so many **students** making use of the Library. With the colder weather fast approaching the Library is a great place to come in from the cold.

We have new books and board games which **are** ready to be borrowed and played. The board game competitions currently being played are very popular with many students joining in.

The wish list is ongoing and students are **encouraged** to write down the names of books, authors or series they would like **to** have in our Library. Mrs Porter and I are trying to get as many of these books as we can. We have recently purchased some Hey Jack books which were on the Wish List😊

The Premier's Reading Challenge is going well and continues until August. Most of the students are well on their way to completing the challenge.

Congratulations to the students who have already finished the P.R.C. Well Done Everyone!!!!!!!
