PRINCIPAL'S REPORT

Band on the Run

Last Thursday Tullamore hosted the Combined WAP schools music day. Students made beautiful music together as a concert band, while other groups developed their skills on strings, guitar and drums. Thank you to all of our students for their great involvement and also thank you to the tutors including Mr Screen who led each group. Finally an enormous thank you must go to Mrs Nadine Mortimer who coordinated the catering superbly and to those who assisted her on the day. There were around 90 hungry musicians to be fed and they all went home satisfied. The school also greatly appreciates the access to the Club, CWA and MPHS facilities and we thank each of these groups for their support.

Magnificent melodic moments

Promoting Professional Innovation

One of our school strategic directions is ‘Promoting Professional Innovation’. In recent weeks I have been out of the school at various times attending several events. I appreciate the efforts of staff especially Mrs Horsburgh and Miss Shankelton who manage issues that arise in my absence. This year our staff are expected to report on professional learning activities in the newsletter so that parents and students understand why staff are away at times. The Principal is no exception to this!

On Thursday 26th May I attended the Lachlan Network Principals meeting at Condobolin. Topics included changes to staff leave processes, external validation processes for the Schools Excellence Framework, NSW Premier’s Education priorities and changes to processes for accessing support for students with special needs. On Tuesday / Wednesday last week I attended the State Access Managers Group meeting in Dubbo. This meeting brings together Principals and executive staff from the 21 Access schools across NSW. Topics included funding and staffing processes, state level strategic directions, reports from the 4 individual access groups, social media strategies and professional learning directions for 2017.

Wanted : Story tellers !

If any parent or community member is interested in reading a story to our K/1 class, please contact Mrs Horsburgh or message the school Facebook page. Our kids would love to hear you! They are expanding their love of reading and it would be great for them to see and hear some community role models in action !

Bon Voyage Miss Richards

From the end of this week Miss Richards will be on leave until Week 9 of Term 3. Mr Flavel will be filling her giant shoes and taking on her Tullamore teaching load, her Western Access Year 11 class will be delivered from Yeoval during this period. Mr Flavel will also take on the sports coordinator role. Mrs Budd will be taking on Mr Flavel’s Learning and Support role on Tuesdays and Thursdays. Miss Richards will be spending some time in the USA. We are all very jealous of her and wish her all the very best for her trip.

Principal’s Heroes of the Week

Back next week – with double heroes! But our wonderful public speakers from last week will be high on the list of possible candidates !!

Eloquent and articulate ladies !

Happy Birthday Your Majesty

I would like to wish everyone all the best for a well-deserved long weekend break. For the trivia buffs, Queen Elizabeth’s birthday is actually April 21. Due to the cold and unreliable English weather, the British royal family has had a long standing tradition (since 1748) of celebrating the monarch’s birthday in June (their summer time) with parades and military pomp and ceremony. Sounds jolly fair to me.

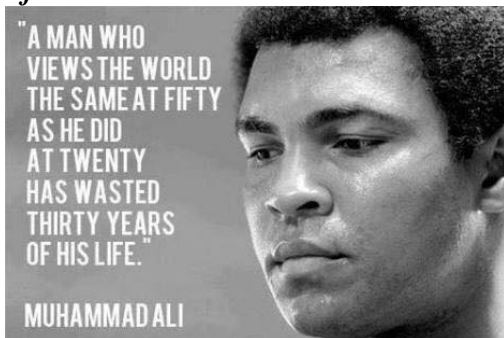

TERM 2 2016 – WEEK 7 PRIMARY PIECES

School uniform policy amendment

For a trial period into the foreseeable future, Secondary girls may wear long black pants to school, as an alternative to the current uniform. Thank you to all of those students who wear uniform daily, you all look fantastic and it is greatly appreciated, as is the efforts of parents who get them in uniform daily. Wearing uniform earns regular Tully bucks; I will always take this approach rather than an exclusion or punitive approach in relation to uniform.

All welcome ☺

CWA Public Speaking

Last Tuesday Ava Curr, Sophie Laing, Shanae Alvey and Charlotte Darcy attended the CWA Public Speaking Competition at Condobolin. All students spoke with confidence, articulation and expression. The competition was fierce, with the judges commenting that it was the strongest group they had ever sat before. We do not have any students progressing on; however all students should be extremely proud of their efforts.

in K/1

Our class has a special excursion in town on 28th June. Some children need to return their Local Area Permission Note to the office please do so ASAP so all students can participate. Thank you.

Pie Drive helpers

If anyone has an hour to spare on Thursday between 1:00pm-2:00pm to help sort Pie Drive Orders, it would be very much appreciated. If you can help on the day, please

TERM 2 2016 – WEEK 7 SPORT

contact the school to let me know and leave your mobile number in case I need to contact you in regards to a change in delivery times? Thank you in advance!

Our class made a profit of \$278 from the Pie Drive which is being used to reduce the cost of the bus for our trip to Dubbo this month.

Thank you to everyone who purchased some delicious pies this year. We hope you enjoy them!

Excursions

Please remember to return the permission notes and money for both class excursions.

Year 3 project

Year 3 will be receiving a project this week which will be due in the last week of school. If your child needs any help with research or presentation, I will be more than happy to offer suggestions.

Sydney Excursion

The final costing of our Sydney Excursion is yet to be determined due to further upcoming fundraising events in Term 2 and Term 3. If you would like to make another \$50.00 instalment towards the final cost that would be great. Students have indicated that they would like to run a cupcake stall. I have asked students to discuss this with their parents and a decision will be reached next week.

Homework

- Spelling: LSCWC
- Athletics (measurement)

Secondary Athletics After School Program

This Wednesday we will continue with our secondary athletics pilot program. The last 2 weeks have been a great success and it would be wonderful to see more students take advantage of this great opportunity. This will program is run after school until 4:00pm. This is only available for secondary students due to the nature of this program. It will run for 5 weeks and all students involved will receive a free athletics singlet. The activities will be run by Mr Flavel and Miss Richards.

Lawn Bowls

The Central Schools cluster day will be held in Tullamore again this year. It will be held this Thursday 9th June at the Tullamore Bowling Club. Final selections for these teams will be this Wednesday during sport. The top 6 players will be selected to play in the competition the very next day. Best of luck to all the secondary students who try out.

TERM 2 2016 – WEEK 7

Sand Green Golf

Apologies to any students who have already returned their notes. There was a mistake on the note for the costs. The \$10.00 for the actual day still stands and is payable on the day to the event organiser. However, it failed to include a cost for transport. If you are not transporting your child it will be \$5.00. Please be sure to send this in with the note. Thank you.

District Touch/Netball

Please ensure that all notes are handed back for this ASAP as transport and teams need to be finalised. Thanks in advance for your assistance with this.

Cassie Richards
Sports Coordinator

Each week there will be a newsletter article promoting courses run across the Western Access Program. This program is highly successful in delivering a wider curriculum across our schools, maximising student choice and achievement.

**HSC English Studies – Courtney Foley -
Tullamore**

English Studies is a non-ATAR subject which helps students to develop their knowledge and understanding of the applications of English to everyday life. This term HSC English Studies students have been learning about how bias in the media can at times be misused. Students are exploring this concept through the analysis and critique of sporting news articles, A Current Affair and 60 Minutes programs and will eventually be creating their own articles to be published in their school newsletters.

LIBRARY NEWS

It has been wonderful to see so many **students** making use of the Library. With the colder weather fast approaching the Library is a great place to come in

from the cold. We now have 4 working computers in the Library for students to use during lunchtime. Priority will be given to students needing to complete assignments.

We have new books and board games which **are** ready to be borrowed and played. The board game competitions currently being played are very popular with many students joining in.

The wish list is ongoing and students are **encouraged** to write down the names of books, authors or series they would like **to** have in our Library. Mrs Porter and I are trying to get as many of these books as we can.

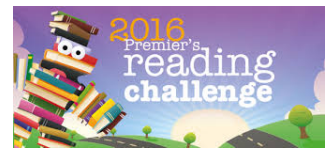

The Premier's Reading Challenge is going well and continues until August. Most of the students are well on their way to completing the challenge.

Congratulations to the students who have already finished the P.R.C.

Well Done Everyone!!!!!!!

Reminders

The Premiers Reading Challenge ends on the 12th August. If you have been reading books at home please bring you reading log in for Mrs Porter to enter and validate.

Students in Year 2/3 have also been reading some books in class which have been entered already.

We will be holding a Book Fair in Week 3, Term 3. There will be lots of wonderful books available for purchase, so start saving your pocket money.

Have a wonderful week everyone!
Mrs Lindsay and Mrs Porter 😊

HOMework CENTRE

Homework Centre for Primary and Secondary students is running again this term. Students need a signed permission note returned BEFORE they can participate.

Homework Centre will run from Room 1 on Monday from 3:15pm – 4:00pm for all Primary and Secondary Students and on Thursday for Secondary students only from 3:15pm – 4:30pm.

JUNE is BOWEL CANCER AWARENESS MONTH.

The story of Bowel Cancer Australia's Red Apple logo and Bowel Cancer Awareness Ribbon

Our apple symbolises our bowel cancer message.

The outline of the apple logo appears as an abstract of a human colon.

The small hole in the apple is caused by a worm. If detected early and removed, the worm is unable to continue affecting the apple or the health of the tree.

It's the same with people.

If bowel cancer is detected early it can be treated successfully and people can continue to enjoy life.

Apples are also a nutritious source of dietary fibre.

2016 Sumitomo Metal Mining Oceania scholarships

Sumitomo Metal Mining Oceania and Northparkes Mines invite eligible students, in Year 11, to apply for the 2016 Sumitomo Metal Mining Oceania Scholarship.

This program is designed to attract and retain senior secondary students who are interested in the mining industry as a possible career. This is achieved through a coordinated program of activities and contact with the industry and stakeholders such as sponsoring companies and universities.

Sumitomo Metal Mining Oceania Scholarship recipients will receive an award of:

- ***\$500 for successful completion of Year 11,***
- ***\$1,000 for successful completion of Year 12, and;***
- ***\$2,000 is granted to those scholarship students who go on to successfully complete their first year in an undergraduate mining related course at a NSW University within the first 12 months of completing their secondary schooling.***

As part of the Sumitomo Metal Mining Oceania Scholarship program, scholarship holders in Year 11 and Year 12 must participate in a minimum of two mining related activities each year. Examples of activities include: work experience, attendance at a careers expo organised or conducted by the mining industry, mentoring programs, sponsored Northparkes events or attendance at a relevant university open day.

Sumitomo Metal Mining Oceania Scholarship Eligibility Criteria:

- 1) Students must be enrolled at a high school within the Parkes or Forbes Local Government Areas and maintain a set pattern of study with satisfactory academic results.***
- 2) To be eligible to extend the scholarship from Year 11 to Year 12, scholarship holders must demonstrate participation in at least two mining related activities during the year.***
- 3) To be eligible to extend the scholarship post Year 12, students must enrol in and satisfactorily complete, their first year of an Undergraduate mining/minerals related degree.***
- 4) Applications must include the name and contact details of a teacher at the student's school who will be contacted to obtain a reference check. Applications without these details will not be considered.***

How to Apply:

To apply students must complete a survey, the link can be found on our website at

<http://www.northparkes.com/careers/Scholarships.aspx>

and/or our Facebook page <https://www.facebook.com/northparkes>

Applications close Monday, 11 June 2016. Reference checks will then commence before the successful applicants are chosen and notified mid-July.

Please contact Northparkes Mines Talent Coordinator, Brooke Lees, on 02 6861 3621 for further information .
