Busy bodies

Can you believe that there are only 28 days left in the 2017 school year? It is certainly an extremely action packed schedule (please check the list of upcoming events) plus the usual end of year 'busy-ness' including reports and planning for 2018. I would like to thank our staff, students and parents in advance for their ongoing hard work and commitment and we look forward to a great finish to 2017.

Smart cookies

A number of our students recently sat the University of NSW Global ICAS English and Maths assessments. These are very challenging and to do well in these is a very prestigious achievement. Congratulations to Lachlan Curr (Credit – English), Claire Thomas (Credit – Maths), Sophie Laing and Isabella Horsburgh (Merits – Maths) who achieved our school's best results. Well done to all students who entered, all certificates will be issued at next weeks' assembly.

League Tag

A couple of weeks ago our secondary girls travelled to Grenfell to play in the Central West League Tag gala day. The girls came up against schools from all over the region. The team played with grit and determination and were very strong defensively. We came close in 3 matches and won another against Henry Lawson High. I was very proud of the girls overall effort and sportsmanship on the day. A huge thank you to Mr Prebendarcik who volunteered his time to help transport the students on the day.

TERM 4 2017 – WEEK 5

Super 8s Cricket

Last Wednesday most of secondary travelled to Dubbo to play in the central schools Super 8s competition. The boys went through their preliminary matches winning 3 from 4 games. Unfortunately, they went down in their final. The girls also performed well with a strong win over Merriwa.

I was very impressed with the level of skill our students displayed and the encouragement they gave each other. Another thank you to Mr Prebendarcik who once again volunteered his time to assist in transporting and scoring on the day.
