Thank you staff

There is certainly no end of term 'wind-down' at Tullamore Central School with lots of activities scheduled for the final week including our Easter Scripture service, public speaking and netball trials, SRC Games night, Grandfriends Day, Cross Country and our Friday Lachlan vs Macquarie sports extravaganza! This week we also welcome Charlotte Fisher who is doing a week of work experience with us, I am sure she will make a great contribution and will learn a lot.

In recent weeks we have had many and varied extracurricular events as well as some valuable HSC enrichment days run by our staff in English, Construction and Maths.

None of these optional events would occur without our staff doing significant additional work above and beyond their normal teaching duties.

The teaching profession and schools in general can often be an easy target for the media, politicians and some members of the public (just read the comments section of any news story about education on Facebook), so I would like to sincerely thank our teaching and support staff for all of their efforts during Term 1. So many things happen on a daily basis where our staff demonstrate very high levels of commitment, enthusiasm, patience, expertise, teamwork and a genuine care for student welfare, so thank you all.

Have a great break

I would like to wish all of our students, parents, staff and the Tullamore community all the very best for the school holidays and the Easter period. For those attending the Irish Festival have a great time! This year there is no street parade so there is no 'meeting point' for students on the Saturday. We look forward to seeing our staff back for the School Development Day at Trangie/Orange on April 24, our ANZAC marchers on April 25 and then everyone back to start term 2 on April 26.

This will continue again in week 2 next term. I encourage as many students as possible to come along and give it a go. The program focuses on developing the core skills of running, jumping and throwing. There is also a focus on fitness, strength and power training so it can be adapted for any sport. I will continue to run on Monday's from 3:15pm – 4:00pm.

League 6s Gala Day

Congratulations to all our students who went along to the league 6s day last Friday. It is a fantastic event run but the NRL and really gives students a great opportunity to try out league and learn all about the game. Once again our students displayed

exceptional sportsmanship and participated with great skill and enthusiasm. There were too many tries to mention but all students came away with a great sense of achievement. Thank you also to Sam Horsburgh who volunteered to coach a team for the day. He did a wonderful job and applied many of the skills he has been learning in his coaching unit at school.

of fun activities including tug-of-war, novelty relays and an obstacle course. I look forward to seeing all your great efforts next Friday ☺

LIBRARY NEWS

The Library is now open at lunchtimes every day of the school week.

It has been wonderful to see so many students coming to the Library during lunch to use the computers, play board games, cars, colour in and read quietly.

Our new Edu-Touch has been installed and this week we will be playing the G rated movie” Sing”.

Things to Remember☺

- The 2017 Premier’s Reading Challenge has started. Students who would like to participate and haven’t yet collected a Reading Log from the Library are encouraged to do so & start recording the books they read. Alternatively, books can be recorded online by logging on to the Student Portal and locating the Premier’s Reading Challenge.

Congratulations to Kaylia Alvey who has already completed the PRC Challenge. Well Done!

- All students need to please bring a bag when borrowing. This helps to keep the books protected.
- We have a selection of cloth Library bags available for \$3.00. They can be purchased from the Library and sales from these bags will go towards buying new books.
- The wish list – this is where the students can write down the name of a book, author or series of books that they would like to see in our library. We will then try to get some of these book in.

Have a Safe and Happy holiday everyone. We hope you get the time to rest and relax and maybe even read a book or two.

Have a lovely week☺
