PRINCIPAL'S REPORT

Tully's Tucker

Starting this week Tully's Tucker will operate Monday/Tuesday/Thursday/Friday. Our Secondary students will continue to sell school-approved chicken nuggets on Wednesday. Thank you to all involved. The Tully's Tucker menu will continue to evolve and as it does we will update on the school Facebook page and include with newsletters. I am always open to feedback and suggestions.

As at the start of Term 3, Casho's Café will no longer be delivering lunches to the school. I would like to take this opportunity to thank Casho's for this ongoing service; we have appreciated your support in providing options to parents.

Primary assembly

Thank you to Year 3/4 for hosting last week's Primary assembly. We greatly enjoyed your

performances and art work. It was fantastic to again see a great turn out of parents and friends. Our students and staff appreciate your support and attendance. Well done to the award winners and of course happy birthday ! How many claps ? ☺

Happy birthday ☺

Deserving recipients

Attendance

A courtesy reminder to parents that they have a number of options for notifying the school of upcoming absences or explaining absences. Back in the "olden days" a hand written note was about the only option and of course these are still acceptable. Nowadays with all the wonderful technology available to use we will also accept phone calls, text messages, Facebook messages and emails. The choice is yours. The main priority is that all absences are explained. This also means we don't

have to send home letters regarding unjustified absences or conduct parental interviews where attendance is of concern. Thank you to parents for your attention to this.

Uniform

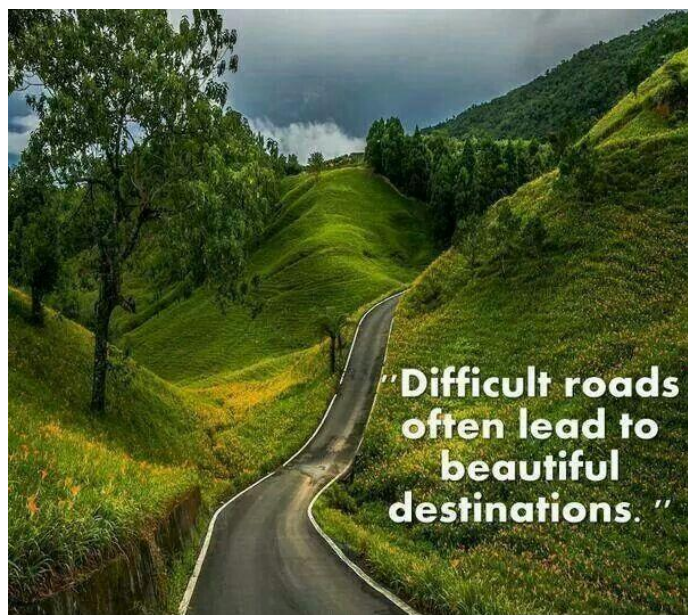

Thank you to all those students (and their parents) who are in full school uniform each day. They look fantastic and this is greatly appreciated. As the weather cools we see more students coming to school in random clothes. While we certainly do not want anyone to freeze to death, there are school jumpers and jackets available for purchase. I will continue to issue Tullybucks to those students who are in uniform daily.

Principal's Heroes of the Week

Great job speaking at Primary assembly – Blake McMahon, Kalista Perks, Sabrina Martin.

Cross country excellence – Beau McMahon, Sabrina Martin, Kayliah Alvey

SRC CONFERENCE 2017

In week 4 we travelled to the annual Warrambui SRC Conference near Canberra. Over the 4 days of the conference we took part in some very interesting workshops, informing us on the importance of some big issues affecting some schools. These included

TERM 2 2017 – WEEK 6

Cyber Bullying, Mental Health, Working in Teams, LGBTQI and Domestic Violence. These workshops involved improving our skills as leaders in our community and informing us on these important matters and how we can manage them. We also got to participate in other recreational activities including night time orienteering, trivia and a themed disco (Blast From the Past). For some of these activities we were placed into separate colour groups, away from our Tullamore peers. Blue group was the overall winner. Lachie was in this team. It was a great experience, we had lots of fun and we can't wait to go back.

Secondary Athletics

The Athletics program will continue to run on Monday afternoons. We welcome any newcomers as well as those who have previously participated. The program focuses on developing the core skills of running, jumping and throwing. There is also a focus on fitness, strength and power training so it can be adapted for any sport. It will continue to run on Monday's from 3:15 – 4:00pm.

Central Schools Touch

Well done to all the students who competed in the central schools touch last Thursday and Friday. The girls had a great day scoring tries and winning their final match against Mendooran 2-1. The boys worked hard in a very strong competition and displayed some very impressive skills. Thank you to Sam Horsburgh who refereed the girls games and to Jye Langley for running the canteen. It's a great testament to our students that they are capable of stepping up and taking on these roles.

District Cross Country

Congratulations to all our students who travelled across to Yeoval last Friday for the District Cross Country. We had some very impressive results with Beau McMahon finishing 2nd, Kaylia Alvey finishing 3rd and Sabrina Martin finishing 5th. These 3 students will now be off to the Western Cross Country in Guerie later this term. As a whole, our team finished in 4th place overall so each and every student should be very proud of their efforts. Thank

you to Miss Horsburgh for taking the students over and to the parents who transported children.

AGRICULTURE IN ACTION

Wether Challenge

This year Tullamore Central School has entered in the Dubbo School's Merino Wether Challenge. This is a Hoof and Hook competition where the sheep are judged "on the hoof" in the show ring, their wool is then shorn and judged and their carcass is also judged to MLA standards. As part of this challenge, students have been weighing and monitoring the health and growth of both the sheep and their wool. The Wether Challenge team would like to thank Brendan (Barge) Williams for his loan of the electronic sheep scales so that we can track our mob's growth through until the end of the competition in August. Thanks also go to Max Davison for his continued assistance with halter breaking of the sheep ready for the "on the hoof" section of the challenge.

Love is in the Air

This week Eros (aka Eddie) our bull is heading to Ungarie Central School for a 6-week holiday with his two new girls Bess and Cass. Ungarie Central School, like Tullamore has a small Dexter Cattle herd and Eros will be part of their foundation breeding program. Eddie will return at the end of July to start our next joining season, ready for May / June calves in 2018.

Show Team

Show team practice will continue from Week 7 – Week 9 of this term. Students need to ensure that they have their boots here for those sessions.

Ag Club

Ag club for primary students is moving to Tuesday lunch times. This is so that students will have enough activities to do so that EVERYONE gets something to do – the group is getting quite big which is FANTASTIC!! This is for students in Years 3-6 who have an interest in learning about Agriculture. The remainder of this term the focus is on the vegetable beds and laying chook production. The Tuesday sessions will commence at 1:30pm in

TERM 2 2017 – WEEK 6

Week 7. Students need their enclosed leather shoes and their hats to participate.

Have a great week!
