PRINCIPAL'S REPORT

Welcome Back

Welcome back to everyone for Term 3, which is shaping up as another very busy and productive term. I trust everyone had a relaxing break. This term sees a very large amount of extracurricular activities, the beginning of the 2018-2020 School planning process, Education week, the Show, HSC preparations for our WAP teachers and students, as well as the ongoing extensive training for relevant staff in the Department's new LMBR (Learning Management Business Reforms) systems which are due to "Go Live" on September 4.

As a result of the above and conscious of the need to monitor staff workloads and to ensure we keep a focus on our core business which is quality teaching and learning K-12, I have made 2 decisions.

1. Newsletter – this term the newsletter will be published fortnightly rather than weekly, in the 'even weeks' – ie 2,4,6,8,10. I would encourage parents and community to follow

TERM 3 2017 – WEEK 2

our Facebook page which may carry important announcements during the "off weeks". Where necessary individual notes relating to specific events will be sent home, so I am anticipating no inconveniences caused.

2. BIG GIG – Tullamore will not be participating in the BIG GIG this year. I understand that some students, parents and staff may be disappointed by this decision. It is likely that in Term 4 we will most likely hold an alternative performing arts type event ie a talent quest or similar as an alternative.

Sailing away

A big congratulations must go to Lachlan Curr who has been selected to travel on the 'Young Endeavour' from Brisbane to Mackay in September. This is a wonderful opportunity and we are sure Lachlan will represent Tullamore with distinction. For further information have a look at the Young Endeavour website. We look forward to hearing about Lachlan's adventures when he returns.

School Photos

Courtesy reminder that School photos will be on next Tuesday 2nd August. Please ensure your child is 'on-time' as it is likely that photos will be held

relatively early in the day. Students need to be dressed in full winter uniform please. Please ensure any cheques are made out to MSP Photographers and not the school.

Education Week

Next Wednesday 3rd August we will be holding our Education week + NAIDOC assembly, lunch and open day. We would love to see you here. Further details will be provided later in the week.

New Director

The Lachlan Schools Director, Maree Angus has taken on a new position in the Department, supporting strategies for Secondary education in Griffith. For the rest of 2017, Mr Charles Dwyer (Principal, Forbes HS) will be relieving as our Director.

Head Lice

We have had further reports of head lice. Could I once again request that all families are vigilant regarding this. Attached to this newsletter once again is information regarding head lice treatment.

Helmets

Courtesy reminder that students riding bikes or scooters to school should be wearing a helmet. Where students do not have a helmet, parents will be contacted.

PRIMARY PIECES

Variation of Routine

CWA International Country of Study Day

This Friday 28th July students K-6 will be involved in an excursion to the CWA rooms. The excursion is to present the work students have completed on the CWA Country of Study, Nepal.

Our year 6 students and Mr Nichols are invited to attend a luncheon at 12 midday.

Students K-5 will have an early lunch at 1pm and walk to the CWA rooms at 1:30pm to present their work.

All students will return to school in time for buses or collection and parents are most welcome to come along also.

K/1/2 News

Welcome back! Another busy term ahead with lots to learn and fun to have.

Homework

This term we continue with maths, spelling and reading homework. Each week students are asked to complete spelling activities, a unit of maths and reading each night.

Kindergarten have sound and word books to practise each night, as well as a sound activity book and number book. This book is to be completed at the students pace and handed in each week for checking.

K/1/2 Teacher

Year 3/4 News

Welcome back to Term 3! I can't believe how quick our terms are going. I hope all families in 3/4 had safe and restful holidays. Students have settled back into our usual routine and are ready for another busy term.

Homework

As the newsletter will only be going home every second week, I will be sending home a list of units to be completed each week. If you are unsure what unit your child is on or any other questions about homework please do not hesitate to call me at school.

For weeks two and three students are to complete units 17 and 18 in their maths homework as well as their spelling lists each week.

GoNoodle

Pictured below are students participating in a GoNoodle. We do these activities regularly throughout the day. Students participate in cross lateral, coordination, breathing, stretching and free movement activities to enhance focus and allow for better learning.

Professional Learning

Sue Larkey

Last term I attended a Sue Larkey course in Orange. Sue Larkey is a highly recognised professional for Autism. I found this course very helpful and learnt some new skills and strategies to implement back here at school for all students.

This week I am attending two courses in Parkes. On Tuesday 25th I will be attending a course about the essentials of teaching mathematics in K-6 and on Thursday 27th I will be attending a course about teaching for growth in reading and writing in Years 3 to 6. I will report back on these courses in the week 4 newsletter.

Year 5/6 News

Welcome back to Term 3!

This week's homework:

- LSCWC
- Mathematics: Statistics/Probability
- 8 times tables

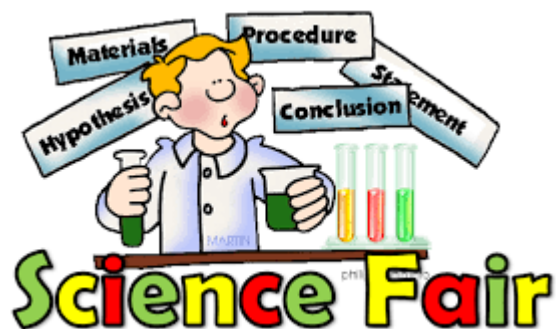

Reminder: Please remember to hand in your excursion medical notes.

Thank you, have a wonderful week!

SECONDARY NEWS

Spectacular Science

Student Research Projects

This term our budding stage 4 and 5 scientists will be working on their science research project. Students will need to come up with their own hypothesis to test. This will then culminate in a science fair where parents and friends of our students will be able to see them demonstrate their experiment. More information will follow throughout the term about this, along with progress

photos of student's initial testing. We hope that as many people can attend our science fair which will be held early Term 4 and see the great work of our students.

Secondary Excursion Update

Please keep those payments coming in for the excursion. If students have lost their payment note they need to see Miss Shankelton ASAP to receive another. Payment must be received by the due date on the note to enable finalisation of the accounts for the excursion before we change to the LMBR finance system.

Robotics Workshop

On the 4th August students in stage 4 will be participating in a robotics workshop provided by Western Student Connections here at Tullamore Central School. Students will be exposed to coding, robot design and programming of the functions of the bee bot robots.

Forensics Workshop

Stage 4 Science again will be participating in a Forensics workshop on the 1st September at Parkes Library. This will tie in with their body systems unit that they are completing in term 4. Permission notes will be going home for this in the next couple of weeks.

Have a great Week!

Jump Rope For Heart

This year our primary students are participating in Jump Rope for Heart – a fantastic physical activity and fundraising program by the Heart Foundation. This will be held during sport time on Friday 4th of August. Jump Rope for Heart is a great

way for your child to keep fit and learn new skills but it also helps raise funds for vital heart research and education programs. It's really important you register your child online so they can receive the full benefits of the program and also participate in online fundraising.

Sign your child up for online fundraising:

- Visit: www.jumprope.org.au
- Click on the Kids tab
- Click on Register

Students have also received sponsorship forms as an alternative method of fundraising. Thank you for supporting the Jump Rope for Heart program!

Backyard League

This year we are lucky enough to have the NRL visit our school once again. Alex Prout is a great ambassador for the game and always runs fun and engaging sessions for our students. Students who participate in the program will receive a free football to take home and practice with.

The primary session will run from 12:45-1:30pm with the secondary session running from 2:00-3:00pm on both of these days.

District Athletics

Permission notes have gone home for students who have qualified for the district Athletics. Please sign and return these notes ASAP so transport can be arranged.

After School Athletics

Thank you to all the students who have been a part of this pilot program. Our involvement has had a major role in the research and development of programs for students in rural settings. It has also injected a large amount of funding into our school which has seen us purchase high jump mats, portable discus cage, multi timer stopwatch and basically any piece of equipment required for athletics. Not only has it provided vastly improved facilities, it most importantly has provided increased physical activity opportunities to our secondary students.

Although the program has ended I will still be available on Monday afternoons from 3:15-4:00pm to do some specific athletics coaching for students who wish to develop their technical skills.

Year 8 Agriculture – Tullamore Show Poultry Entries

Students in year 8 are reminded to bring some old clothes on the Friday 11/8 for washing and blowdrying our chooks ready for show.

Wether Challenge Team

Notes have gone home for the upcoming wether challenge event that will be held at Dubbo Showgrounds on the 21 – 23rd August. We will be continuing to work with our wethers that are gaining weight and growing good length of wool up until the challenge date.

Cattle Show Team and Cattle Program Update

The upcoming practice schedule is as follows:

Term Week	Wednesdays during sport	Thursday afternoon grooming & haltering
1	No show team	Group 1
2	Group 1	Group 2
3	Group 2	Group 1
4 – Tullamore Show Week	Group 1	Group 2

7 – Show Season finishes!	No Show Team	No Show Team

Group 1 Students: Amie, Charlotte, Jack D, Will B, Angus, Zarli, Anthony

Group 2 Students: Mikala, Mackenzie, Sam, Lachlan, Paris, Bailee, Charlie

Students are reminded that if they do not attend show team practice by choice (ie they decided not to attend because they cannot be bothered!) will not be leading in shows as this is a skill that needs to be practiced.

TERM 3 2017 – WEEK 2

Weeks 1 – 4 we will be focusing on our young heifers from Little Milky Way Stud that we are preparing and Nellie as these girls still need some intensive work to learn their show manners plus grooming prior to Tullamore Show.

Kandy and Klover are currently having some time in the love shack paddock with Eddie but will be brought in for grooming and some leading practice periodically leading up to the Tullamore Show and during the show season (these girls are show veterans so need less intensive work than our young heifers!), then they will return to the love shack paddock to ensure calves for 2018.

We will also be attending the showmanship workshop that is being run by Condobolin HS, Kaloola Shorthorns and Moxey Santa Gertrudis Studs on 26th July 2017. Permission notes for have been distributed on the first day back.

Tullamore Central School Cattle Show Team will be competing at the following shows:

- Tullamore Show 12/8
- Trundle Show 16/8
- Bedgerebong Show 19/8
- Condobolin Show 26/8

Students will also be competing at the Dubbo Schools Wether Challenge on the 21st – 23rd August 2017.

Permission notes for all of these shows will be coming home over the next week. Please ensure prompt return of notes when they are received.

Ag Club

Students in primary who are interested in joining Ag Club can come to the Ag Plot at 1:30pm on Thursdays and Fridays and participate in some practical activities with our sheep, chickens and permaculture garden. Students can join at any time. Students just need to ensure that they have a hat and enclosed leather shoes to participate.

MUSICA VIVIA

Students in K-8 have the fantastic opportunity to participate in the Musica Viva program this year. A note will be sent home in the coming days with further details.

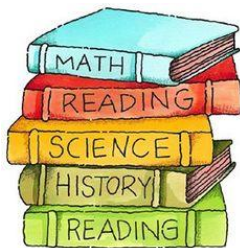

BOOKCLUB

Bookclub forms were handed out to students last week. If you wish to place an order through the school and not through the LOOP online platform, please complete and return with payment to the school office by Monday 7th August.

Library News

Welcome back to a busy Term 3!! ☺

* The Premier's Reading Challenge will finish in Week 6. All students participating should be keeping Reading Logs up to date so they can be processed by Library staff or entering them online through the Student Portal (in the "Learning" section) or log in directly to the PRC website

(<https://online.det.nsw.edu.au/prc/home.html>) using your school username and password to access your Student Reading Record. Once you have finished entering books online, please let us know so they can be validated.

* Term 2 Overdue Notices have been handed out. It would be appreciated if you could help your child locate any books they have outstanding and return as soon as possible. We are happy to renew books if more time is required to finish reading.

* Books can be returned/renewed during lunchtimes as well as during regular library lessons.

* Students are not to bring drinks and food into the library.

* We have Library bags for sale for \$3.00 each.

* Our 'New Books' stand is full of wonderful new books ready for holiday borrowing!

Have a great week!

Belinda Lindsay and Julie Porter ☺

TULLAMORE PA & H ASSOCIATION INC.

IT'S ALMOST SHOW TIME!!

The Schedules have now been sent out to all members of the Tullamore PA & H Association. I hope everyone is busy getting their entries ready. If you're not a member you can find all the section information and entry forms on our website www.tullamoreshow.org.au

A Quick Update

Once again we will have the Speed Shearing Competition and Young Farmers Challenge both with a prize money increase.

The Cattle Section has also been improved with an increase to prize money.

Unfortunately we won't have a competitive sheep section however we invite anyone who would like to exhibit their sheep to please come along. On the plus side for the sheep we will still run the junior sheep judging and have added a junior wool judging.

In the Pavilion we have introduced a Welding Section. We have changed the Junior age groups and added some new junior classes.

This year we will have the Decorated Bike Competition open to both boys and girls and
