## RELIEVING PRINCIPAL'S REPORT

Congratulations to our Primary students who attended the District swimming carnival at Warren on Friday. It was very pleasing to hear of the great effort and sportsmanship shown on the day by all.

Congratulations to everyone on their participation. Special mention to Sophie Laing who was Age Champion and broke three records – what a wonderful effort!

It has been so pleasing to see students have settled into the school year so well. Attendance, organisation, enthusiasm and engagement are at high levels and making the school environment a great place to be.

Thank you to all students and families who ensure that what is needed for school is provided. Seeing students wear school uniform with pride and show respect for themselves, their peers and school is just a small part of the reason I love to work here.

I hope your week ahead is productive and fun.

- 2 x spelling activities from the homework grid

Thank you for your support with home readers! Keep returning each day so together we can help your children to become avid readers ☺

Kindergarten students are learning a new sound most days, so having their sound books returned along with their readers each day is beneficial.

Have a fantastic week.

### SECONDARY NEWS

#### *Keep up the fabulous effort!*

It is always a pleasure to teach our students at Tullamore Central School, and nothing makes me more proud of our students than when we receive lovely messages about the behaviour and work ethic of our students from our Western Access Course Coordinators.

Thank you to our senior Standard English class of Lachlan Curr, Mikala McLean, Jack Darcy and Amie Walker for their sustained effort to their studies and to Mrs Foley who supports this class in her role as co-teacher.

## TERM 1 2018 – WEEK 5

### ***Assessment Booklets***

Students in Stages 4 and 5 will be given their assessment booklets today. These contain a grid showing the due date of all tasks for Semester one. Another will be issued for Semester two as some subjects such as HSIE change from History to Geography for the second semester. Students should keep their booklets in their study area at home to ensure that they are revising and keeping up with work for their assessments.

### ***Don't forget - Senior Study Centre***

For students in Years 11 – 12 there will be an additional session on Wednesday afternoons. This will run from 3:15pm – 4:30pm every Week A for senior study time with Miss Shankelton, if students need assistance with assessments or work in general. The sessions are held in the library. If seniors could please advise Miss Shankelton if they are attending prior to each session.

### ***Cattle Show Team – Mudgee Show***

The cattle show team will be heading off to their first show this week at Mudgee to exhibit our cattle in the Senior Female and Junior Female classes. We have also been asked by Little Milky Way Dexter Cattle Stud to exhibit three Heifers on their behalf.

The final preparation session will be held on Thursday from 5:30pm – 6:30pm (This is due to the SRC Pool Afternoon!). Please bring your hat and work boots. If students can let Miss Shankelton know if they will be attending the after school sessions it will be appreciated.

### ***Friday logistics***

If students could please bring their swags that they are taking for sleeping in on the Friday night, along with their bags and toiletries (please pack light!) to school on Friday morning, these can then be packed prior to departure in the afternoon as we will need to load the cattle and aim to be on the road by 4:30pm at the latest.

### ***Cattle Show Team is Recruiting!***

If you are in Years 7 – 10 and you are interested in becoming involved in the cattle show team, please see Miss Shankelton to collect an expression of interest form. To participate students must be prepared to work after school hours leading up to shows, and be willing to give up some Saturdays to attend weekend shows. Through participating, students are learning skills in following instructions,

commitment, and organisation, attention to detail, team work and livestock handling. It costs \$50.00 to cover the cost of the show team shirt, which is ordered on joining. We would love to see some new members to join our existing team.

### ***Congratulations Amie!***

Congratulations to Amie Walker who has qualified for the Sydney Royal Easter Show Junior Judging Competition. Amie will be attending the show to compete in the Goat judging section of the competition. We wish Amie all the best of luck at the show.

Have a great week!

### **\$100 VOUCHER FOR CHILDREN'S SPORT AND RECREATION FEES**

Parents in NSW are now able to start claiming \$100 towards extra-curricular sport and other physical activity fees thanks to the NSW Government's new Active Kids program.

Active Kids will provide a \$100 voucher for parents to put towards sporting fees and registration costs for every school-aged child in NSW.

The health of our children is a priority for me and every parent. I hope this makes a difference in enabling you to enrol your child in the sport or physical activity of your choice.

Families will be able to use the voucher for registration and membership costs, as well as fees for physical activities such as swimming, dance lessons and athletics.

The annual voucher will not be means tested because the NSW Government wants every child from every family to get active and involved in community sport and fitness.

Parents are able to use their voucher to claim up to \$100 per school age child, per calendar year to reduce the cost of sport registration or membership of approved active recreation activities.

More details about the program and eligible sports is available at <https://sport.nsw.gov.au/sectordevelopment/activekids> or by phoning Active Kids enquiry line on 13 77 88.
