RELIEVING PRINCIPAL'S REPORT

Welcome to Week 9!

The term is ending very quickly, with many events still to happen.

Police Liaison Officer Visit

On Monday, our School Police Liaison Officer Senior Constable Marty Paice visited Tullamore Central School and covered a range of topics from Cyber Safety with our older students to issues with bullying and inappropriate behaviour with our Year 3-6 students. I thank Marty for his time and hope that some of our students who have not been abiding by our school expectations of being respectful, responsible, cooperative and honest have taken note about the legal ramifications of their actions. A follow up visit will occur during term 2 to check in with students but also to cover road safety and the role of emergency services with our stage 1 students who missed out on a session on Monday due to time constraints.

Good Luck Amie!

Good luck to Amie Walker who will be competing in the Angora Goat Judging Competition at the Sydney Royal Show on Thursday and Friday. For those interested in this, the Junior Judging Competitions will be streamed live via the ASC of NSW Facebook Page. It is a very interesting process to watch, and students can judge a range of different areas from vegetables and grain to cattle, wool and sheep. We wish Amie all the best in the competition!

Western Access Activities

This week sees our Stage 6 Primary Industries students complete their first assessment for the course in the competency of WH&S and fencing. Primary Industries is a VET course that also has an optional HSC examination component and students

TERM 1 2018 – WEEK 9

are assessed through practical assessment of their ability to perform specific tasks. We wish Mikala all the best in her assessment this week.

The Irish Festival Street Parade is back!

Tullamore Central School students are invited to walk with the school dressed in green for the Street Parade. Meet at Hinkler street end of the park at 9:50am on Saturday 31st March 2018. Students will walk with staff in the parade, which concludes at the Showground. Parents must arrange to collect their child/ren at the Festival entry.

May the week ahead be most agreeable, and the Easter break safe and enjoyable.

3/4 News

This week, homework is due on Thursday.

Maths Homework: Unit 7

Spelling Homework: Look, Say, Cover, Write, Check

We hope you have a lovely Easter,
Lauren and Mitchell Flavel
Year 3/4 Teachers

Year 5/6

Congratulations to those students who have been handing in their homework each week. The Mathematics activities correlate directly with our weekly classroom learning and it is a great way to consolidate learning. Some of our Year 5 students need to focus on rapid recall of their times tables. Times tables are used across the board in all areas of Mathematics. I have issued many times tables charts and would like to encourage parents to test their child's recall.

I hope you all have a lovely Easter and return refreshed and ready for the last two weeks of Term One!

Classroom Teacher
