Ms Freeth's appointment ensures a continuity of leadership for Tullamore CS and will allow for strategic planning for the future which is evidence-informed and focused on student and staff achievement, growth and wellbeing.

I wish Ms Freeth all the best in the Principal role and encourage the school and wider community to engage in a positive partnership with the leadership team on the journey of continual school improvement.

I also pass on my appreciation and thanks to Mrs Horsburgh and Ms Shankelton for their commitment to successfully leading Tullamore CS in a relieving capacity during this transition period.

For students in Year 11 – 12 there will be an additional session on Wednesday afternoons from 3:15 – 4:30pm every Week A for senior study time with Miss Shankelton if students need assistance with assessments or work in general. The sessions are held in the library. If seniors could please advise Miss Shankelton if they are attending prior to each session.

Work Health & Safety – Shoes for Practical Subjects

Students need to ensure that they have their hats and boots for practical agriculture, along with boots for any other practical subjects such as food tech and industrial tech. They are also required for practical science where chemicals and sharps are in use. Please ensure that students have their enclosed leather shoes either on their feet or stored at the student pigeon holes so that students have them when required.

Handling Study Stress

At times students, particularly those in the senior years will be under stress due to their study loads. To assist students in coping with this stress Headspace in Dubbo offers a free study stress advisory line that students can either call or access via the Headspace Dubbo Facebook page. The Facebook page is www.facebook.com/headspacedubbo and the contact phone number for the centre is 0258521900 (between 9am – 5pm Monday – Tuesday, 9am – 6pm Wednesday, 9am – 7pm Thursday and 9am – 2pm Fridays) This is a great service offered for students and if they are feeling stressed about their study load I encourage them to give the Headspace centre a call.

Have a great week!
