PRINCIPAL'S REPORT

SRC Dance

A big congratulations to SRC for their great work in hosting the masquerade dance last week. Students had a fantastic time.

Mrs Horsburgh

Mrs Horsburgh will be taking leave in weeks 7/8/9. Mrs Stanbrook will be teaching our K/1/2 class during this time.

Assembly

A reminder that assembly will be held Wednesday at 2:30pm in the K/1/2 room. K/1/2 are hosting the assembly this week.

AECG Meeting

Next Monday there will be an AECG meeting held at the school at 1:00pm. All are welcome to attend.

Remembrance Day

Yesterday we held our school Remembrance Day service. Students were respectful and those who were involved in the service did a fantastic job. It was fantastic to see our community members who were also in attendance.

Host Class: K/1/2

Chairpersons: Daniel Martin, Jessinta Fidock.

All welcome 😊

REWARD DAY

This year our Reward Day will be on Friday 13th November. We currently have a small number of people who are running workshops for the children to book into. If you have an idea or know someone who could help us out – particularly with outdoor/getting hands dirty type of activities, eg. Motors, simple woodwork, leatherwork – please let us know. Some workshops we have planned include music, garden and cooking, but need more. We would love to hear from you as soon as possible.

K/1/2 News

Yesterday we had another visit from our Kindergarten 2020 students. We all worked hard to be great role models and help our friends learn more about being at school. Our last transition day will be next Wednesday 20th November for the whole day.

Week 5 Topic Talk

This week’s topic is ‘If my eyes were in my toes’. It is great to see that many students are planning ideas for their topic, talk in advance and then presenting their ideas and opinions about the topic on their day. Well done!

Another busy week in K/1/2 learning about multiplication and division, more about caring for the earth and how things move. We are also preparing for Christmas with our art and craft activities and learning new skills in technology.

Homework

K/1/2 Teacher

Year 3/4

Please refer to the homework grid for this week’s tasks. On the back is a home project sheet. Your child should have taken a sheet of cardboard home already to get started on. The project will be due in week 7.

Mathletics activities that students can complete this week are on multiplication, division and volume and capacity.

Those students on levelled readers please remember to regularly return and swap your readers. If you have any questions or concerns PLEASE feel free to contact me via the school office.

Kind regards
Belinda Lindsay ☺
Year 3/4 Classroom Teacher

Year 5/6

This Thursday 5/6 will be joining the MPS residents in a science morning. Please return your permission notes if you have not done so yet.

I am still finalising our Year 6 Graduation Lunch. Invitations will be sent out later this week.

Homework

- LSCWC
- Mathletics (operations, multiplication and division)
- 12 times tables
- Reading (20 mins)
- Asian assignment for Mrs Durning

SECONDARY NEWS

Welcome to the start of another fabulous week at Tullamore Central School.

PBL

This week students continued their lesson from week 4 on how to summarise their notes into study notes. It is important that students start this process for their exams that are coming up in week 6. Students have shown improvement in their return of notes which is great to see.

Uniform

Students have shown an improvement in their wearing of correct uniform so far this term. There are several students that will be presented with their Tully’s Tucker voucher this week for 10 days in correct uniform. Students are reminded that they need to ensure that they have their enclosed leather shoes with them for science and technology lessons, even on days when they have PE or sport. There is space available outside the science lab to store shoes if necessary.

Have a wonderful week.

Natasha Shankelton
Head Teacher Secondary Studies

SCIENCE IN ACTION

This week in science, students are busily completing revision for the upcoming examinations in both stages 4 and 5.

Students in stage 4 have recently completed their presentations about animal adaptations and classification from their recent visit to the zoo in Dubbo. All students that submitted their tasks are to be congratulated for their efforts, with some students creating very informative and accurate assessments of how the zoo has designed the enclosures for the animals to suit the adaptations that each species has.

Students in STEM have been finalising their experiments to conclude their projects. Some groups are well on their way to finishing their final written reports. Students will have their final topic test in week 7.

Science Teacher

VISUAL DESIGN STUDY DAY

At the Visual Design Study Day last Friday in Trundle, the students painted their pizza box, prepared, and cooked their pizza. This was part of their Product and Packaging assessment. Angel's product was inspired by the Disney movie - Beauty and the Beast. She made a 'Beast Feast' pizza, painted her box blue and started to add a Beast mask to the bottom of her box. Well done Angel - a very productive day!

AGRICULTURE IN ACTION

Cattle Show Team

Thank you to those students that expressed interest in the Junior Show team program for 2020 and the secondary squad. Permission notes have been issued. This is due to start next Thursday 14th November. Notes need to be returned by Tuesday (12th November) to enable students to participate in this program.

Wanted – cans and bottles

As part of our fundraising for the Agriculture program, we will be collecting the 10c return cans and bottles. No need to sort them as we will do this! Cans and bottles can be dropped in to the Ag plot area where there are two bins labelled Cans and Plastic Bottles and Glass Bottles. Thank you to those people who have donated cans and bottles already.

Produce available for sale

Please contact the school office to order by Wednesday for picking and packing on Thursdays:

Eggs - \$4.00 Dozen We have HEAPS!!! Please let us know if you need eggs!!!

Natasha Shankelton,
Agriculture / Science Teacher

SPORT

Please refer to Term at a Glance for upcoming sporting events.

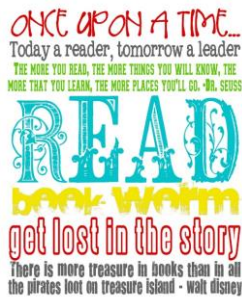

Thank you to the many students who returned overdue books this week! This term is going fast and we need all outstanding books returned before the end of the year. We would appreciate parents/caregivers continuing to help students with outstanding book notices to look for these books at home and return to school as soon as possible.

Reminders

- * The library is a drink and food free zone.
- * If you know a book has gone missing or been damaged, please let us know so we can organise a replacement.
- * Please bring a library bag when you borrow to help protect the books from being damaged. If you need a library bag, we have plenty of spares that we are happy for the students to have.
- * The library is open at lunch on Mondays, Tuesdays, Wednesdays and Thursdays.

Have a great week! ☺
Belinda Lindsay and Julie Porter

REMEMBRANCE DAY SERVICE

Thank you to our staff, students and community members that attended the Remembrance Day Service. Students ran a solemn and reflective service, which centred on remembering all fallen from all theatres of war, including modern conflicts.

Thank you must also go to Mrs Kelly-Lee Dunn, who addressed the service as an ex RAAF member.

2019 TULLAMORE CENTRAL SCHOOL YEARBOOK

Last week order forms were sent home with the students giving families the opportunity to purchase Yearbooks. The Yearbook is a 50 page, full-colour and bound magazine. Developing this yearbook has enabled staff to provide a “snapshot” of all the wonderful achievements and opportunities the students have enjoyed this year. We look forward to sharing it with you, so that families can look back on these school memories for years to come. If you have not received an order form, please see the office ladies. Order forms were due back by Friday 8th November, but that time has been extended to this Friday 15th November. No more orders will be accepted after this date.

Perinatal Depression & Anxiety Information Day

Tuesday 26 November, 2019
CWA Hall Haylock Street Tullamore
10:30 am - 12:30pm

Too many people are still afraid to talk about perinatal anxiety and depression. Too many don't know the sign and symptoms, or where to seek help if they're struggling. Perinatal depression affects **one** in **five** mums and **one** in **ten** dads.

Come join us for a **FREE** morning tea and as a community 'lets get real' about perinatal anxiety and depression.

Contact Shonel 6862 1872 for more information

What is SHOOSH FOR KIDS all about?

Shoosh for Kids isn't about staying **completely silent** as a spectator.

In fact, **positive** spectator behaviour is encouraged. Cheering on both sides of the competition is encouraged.

Shoosh for Kids is about trying to make sure the environment at junior sport remains positive - so that kids keep coming back to sport and stay happy and healthy.

Australia Day 2020

It is that time of year when we start to think about next year! Already!!

Do you know a community member who is worthy of recognition on Australia Day? Here are some ideas to jog your thoughts.....

- *a volunteer who has made a notable difference on a committee
- *someone who has strived to achieve a goal or excelled in an area
- *a quiet achiever who has voluntarily supported a need
- *a person or group who has given above and beyond in their given occupation
- *a person or group who positively promotes our town and district

These are just some ideas for which people in our community could be given recognition, by way of your letter of commendation. A formal appreciation and certificate will be given to those nominated on Sunday 26th January 2020. The celebrations and presentations will be attended by a nominated ambassador, yet to be announced.

Please complete the letter of recommendation and deliver it to
