PRINCIPAL'S REPORT

Welcome back to 2019!

I hope you all had a relaxing break and have returned fresh for another year of learning at Tullamore Central School.

Last week we had a great start with students starting back on Wednesday, Kindergarten Thursday and our fantastic swimming carnival on Friday. We were extremely lucky with the weather on the day and a huge thank you to Mrs Hinchley and all staff for your organisation and running of the day.

We have tonnes of photos to share with you all, we are just waiting on permission for all students to publish. We will get these to you as soon as possible.

Best Start

This year both our kindergarten and year 7 students will be participating in Best Start testing. The purpose of this is to gain an indication of what students can do and the determine where to next for each individual.

WAP Camp

Our Stage 6 students will be attending camp on Wednesday, Thursday and Friday this week. Students will only be attending on days that they have study sessions being run by their course coordinators.

District Swimming

District swimming for eligible primary students will take place next Friday week 4.

Kind regards,
Rebecca Freeth
Principal

SECONDARY NEWS

Welcome to Week 3.

It has been a hectic start to the term already for our students, with settling in to new timetables and for Year 11 starting a whole new way of studying. Our HSC students are getting back into routine and starting on the new terms work.

WAP Camp 2019

On Wednesday morning we head off to Access Camp at Burrendong. Students attending for the full duration will be departing Tullamore Central School at 7:00am Wednesday morning. If students could be

ready at the front of the school at 6:45am to pack the bus so that we can depart on time. Any students that need to be picked up along the Narromine Road need to let Miss Shankelton know and we will organise pick up sites and times with you. Students have received a camp pack on Monday, which has their packing lists and also their camp timetables. Those students who are travelling over on Thursday with Mr Nabb and Mrs Hinchley have received their logistics organisation as well. We look forward to a fabulous camp with Year 11 students getting to meet their teachers and classmates for the first time and Year 12 working towards their HSC with their course coordinators.

Shoe Reminder

Just a reminder to secondary students that you need to ensure that you have enclosed leather shoes for science and technology subjects. This is WHS requirement. Students are encouraged to wear their correct shoes to school and bring their joggers for when they have PE. For students studying Agriculture and Primary Industries in Stage 4 – 6 students need to ensure that they also have a hat for practical lessons.

Subject Fees

Students that are studying elective courses in Stage 5 and Stage 6 subjects that attract fees will be receiving their fee invoices in the near future. These fees assist with the cost of consumable items used in the course. Once your fee invoice is received, please contact the school to arrange a payment plan if required.

Thankyou

Thank you to our students who have made a positive start to the year. I have heard from several staff about the fantastic attitude to learning that students have shown. Keep up the great work everyone!

Swimming Carnival 2019

Thank you to all the students, parents, staff and community members that came along to support our swimming carnival. It was a fantastic day with the students proving to be super fish in the pool. It was pleasing to see so many students get involved in so many events. I was even more excited to see students racing for the very first time.

Congratulations must go to the students for winning the staff v parent v student relay. Thank you to those parents who put their hand up and participated. It always makes for a great finish to the day and having new faces in this event is certainly welcome! Every year I say this but I am so proud of our students and how much effort they put in. Well done to everyone who came along.

This year was another close call for the house champion trophy which went to LACHLAN. There was not much in it so the difference will come into play if Macquarie can get one back at either the Cross Country or Athletics Carnival. We also had several records broken on the day with Sophie Laing breaking the 25m Freestyle, 50m Freestyle, 50m Breaststroke, 50m Backstroke, 50m Butterfly, 100m Freestyle and the 200m IM. A fantastic effort!!

The following students gained age champion in their division:

Junior Primary – Kharliah Parry, Clyde Carey, Tristan Laing
11yr Primary – Sophie Laing, Riley Horsburgh
Senior Primary – Claire Thomas
Junior Secondary – Ava Curr, Jeffrey McLean
Senior Secondary – Mackenzie Horsburgh, William McLean

Thank you also to Leanne and her wonderful pool staff for having the pool in immaculate condition and assisting with the whole event. It is always very much appreciated!

District Swimming

Primary students who have qualified for the district swimming carnival were handed out permission notes yesterday. Please ensure these are returned to the office as soon as possible. Please note that students will pay their entry money on the day, so this does not need to come into the office.

Pool Sport

Primary (Year 3-6) students will be back at the pool this Friday for sport. Students have been handed permission notes and these are requested to be returned to the office as soon as possible. On sport days please ensure that you bring your swimmers, towel, sunscreen and hat. **Please also note that the following week (22nd Feb), students will be staying at school for sport.**

A BIG welcome back to all of our wonderful students! We are looking forward to another fun filled year and encourage students to have their library bag ready for class borrowing.

Students are welcome to visit the library at lunchtimes to read some books and escape the hot weather – we also have colouring in, games and computers to use. All students using the library are reminded to be respectful and responsible with equipment as well as being cooperative and honest to others as we sometimes have many students all using the library.

A few reminders

- * The Library is a drink and food free zone.
- * We encourage students to have a library bag to put their books in to help protect them from being damaged.
- * If you know a book has gone missing or been damaged, please let us know so we can organise a replacement.
- * The library is open at lunch on Mondays, Tuesdays, Wednesdays and Thursdays.

Have a lovely week ☺

Belinda Lindsay and Julie Porter

Mathletics

This year Tullamore Central School has obtained a license for Mathletics K-10. This means all students from Kindergarten to Year 10 can utilise Mathletics both at school and at home to reinforce classroom learning. Your child's teacher will have their individual logon details. Students who do not have access to the internet can use the library during lunchtimes. If you have any questions please contact Mrs Laing.

**TULLAMORE P&C ASSOCIATION –
NOTICE OF AGM**

The Annual General Meeting for the Tullamore P&C is being held **Monday 4th March** 7:00pm at Tullamore Bowling Club.

The P&C is a dedicated bunch of parents and community members who come together monthly to discuss a range of issues, and liaise with the school principal and staff about matters, events, and opportunities which affect the students at Tullamore Central School.

We are also a fundraising body, who work together to help raise funds for projects, materials, equipment and excursions, to ensure our children have the best resources and opportunities they can throughout their education journey.

There is no pressure to take on an executive role if you do not wish to, however we would love some new general members who will show a keen interest in their children’s education and bring valuable input to our P&C.

Our current membership is \$2:00. Subscriptions will be due on the night.

We look forward to welcoming new and returning friends into our P&C for the 2019 school year.

Hailee Fidock
P&C Secretary

It would be greatly appreciated if this could be returned by Friday 1st March, as we cannot go ahead with this event unless we have enough interest.
