PRINCIPAL'S REPORT

Intensive Swimming

Intensive swimming begins in week 7 for K/1/2 and selected older students. Please make sure that you are prepared, including a hat, sunscreen, rash shirt and towel.

Excursions

Our primary classes are all heading off on day excursions over the next few weeks to Dubbo and Orange, we hope they have a fantastic time learning about the places they are visiting. Our whole school rewards day is set to take place on the 11th December with a visit to Taronga Western Plains Zoo.

Presentation Day

Last week, new COVID-19 guidelines were released for schools, including new information regarding presentation day events. These conditions state:

- Schools must comply with the 4 square metre rule for all people participating, including students and staff.
- Schools must ensure there is enough spacing for 1.5m between those attending.
- Schools must ensure people remain seated to minimise mingling between those in attendance.

Unfortunately, this means that we will be unable to have parents and visitors attending our presentation day this year. To keep our families informed we will be filming parts of the day and will also be reporting on all award winners in a special edition of our newsletter the following day. We will also arrange with parents of the newly appointed captains to be able to pin their badges at an appropriate time.

Last Day for Students

Our final day this year for students is the 16th December. On this day, we will hold our market afternoon celebrating students who have been respectful, responsible, cooperative and honest.

SECONDARY NEWS

Years 7-10 Exams and Standardised Testing Week

Students have commenced their exam week this week and it has been very pleasing to see students taking these exams seriously and trying their best. If students are away for any reason, parents are requested to let the school know so that illness / misadventure paperwork can be issued to affected students.

Uniform

Students in secondary are reminded that they should be in uniform every day. Where students are wearing sports shorts, they are reminded that they are to be plain black with no patterns. If students are out of uniform, a note should be handed in at roll call. Students are also reminded that leggings, bike shorts and very short shorts are not acceptable as uniform. If parents are having issues obtaining uniform, please contact the school office.

Tullamore Central School Year 12 Graduation

Invitations for the Year 12 Graduation have been sent home to Year 12 families. If families could please RSVP for the Tullamore Central School Graduation Dinner by 20th November 2020, it would be much appreciated.

STAGE 4 ENGLISH

Stage 4 students now have weekly homework that they are expected to complete. This includes:

- Daily LCSWC (spelling)
- Daily reading of 15-20 minutes

The only day which they will not have to complete their spelling is Friday as they will be having a spelling test.

I encourage families to support their child with this by checking in with their progress daily and sitting with their child to listen to and support their reading.

AGRICULTURE IN ACTION

Show Team

Thank you to our group of senior students who helped with our first session of halter training for our calves Penny and Kallie and some re-education for our beef week steers Tommy and Jimmy. Mother Nature has certainly been throwing some spanners in the works and unfortunately, our juniors have not had their sessions yet due to rain and high winds. Hopefully Weeks 7 and 8 will see our juniors get their sessions in for this year.

Sessions will run from 3:30pm – 4:30pm, weather depending.

The remaining term's schedule is as follows:

Week 7 – Wednesday (Seniors – Years 7-11),
Friday (Juniors – Stage 3)

(Juniors – Stage 3)

Please advise Miss Shankelton if you are going to be absent from practice.

TRUNDLE JUNIOR CRICKET REPORT

Last Saturday, the Trundle Junior team travelled to Condobolin to play the Gilgais.

Our side bowled first in warm conditions. Once again, the team’s fielding and bowling improved. With Charlie Taunton having a rostered game off, it was up to Kaiden and Tyrone to lead our side, which they both did extremely well through guidance and by example. Our run chase was slow due to good fielding by the Gilgais, but Kaiden and Tyrone put on a show of

defiance towards the end against their best bowlers. Unfortunately, we ran out of overs to catch the Gilgais tally.

Thank you to the parents and supporters that helped with scoring and preparing our players. Fielding Points, Angus Quade – 3, Kaiden Charlton- Little – 2, Jo Mortimer – 1

Charlie and Kaiden also played on Sunday in an inter- town game representing Condobolin. Kaiden bowled 1/11 off 3 overs; Charlie bowled 0/7 off 2 overs. Well done both of you!!!

Next Saturday is a home game against the Condobolin Waratahs. Please be at Berryman oval at 8.15am. Training will be 4.30pm on Thursday, we already have enough children taking their rostered game off this week.

Please call me on 042 897 5335 if you have any questions.

Cheers,
 Jono
