CONGRATULATIONS TO THESE PRIMARY STUDENTS WHO ARE OFF TO WESTERN FOR ATHLETICS

TERM 3 2023– WEEK 5

PRINCIPAL’S REPORT

What a fabulous turn-out for the Tullamore Show over the weekend! It is always so warming to see our community come together for this very special annual event. Volunteering really is the glue that holds our small communities together and it was excellent to see volunteers of all ages doing their part to give back to the community. Well done, Tullamore!

During her stay, Mei commented on how kind and welcoming the school and community was and she very much looks forward to coming back to visit one day. In the coming weeks, students will have the opportunity to meet some of Mei’s students via video link up, and we are equally looking forward to being able to maintain this new connection.

A special mention to our TCS volunteers who assisted with the smooth operating of the canteen on Saturday and in the lead up to the show. Your help was very much appreciated.

Being that I will be on Long Service Leave this week, Ms Brown and Mrs Lindsay will be relieving in my absence and can be contacted with any questions or concerns you may have. Alternatively, I will be contactable the following week. Please don’t hesitate to contact your child’s classroom teacher as needed, or our Executive members of staff if required.

Have a wonderful week, everyone!

Warm regards,
Ms Jesser
Principal

Mei Otuska recently joined us for two weeks from Osaka, Japan. She was thrilled to learn more about Australian culture and to share her Japanese culture with students, staff and the community.
